

SOUTH BEND ALUMNI ASSOCIATION

Our Mission:

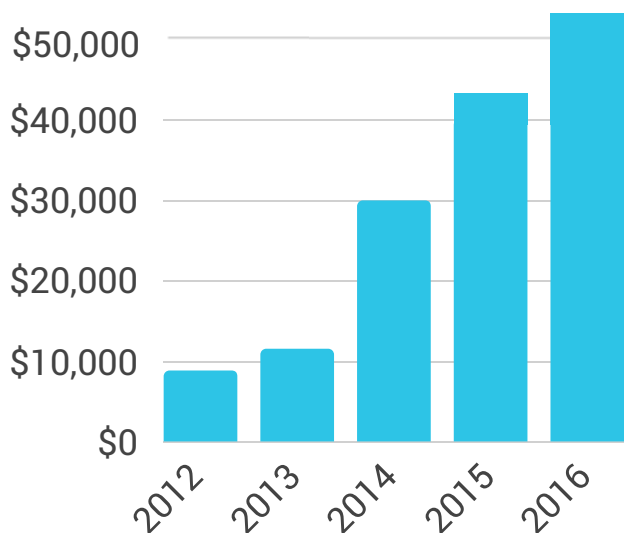

Our Mission is to generate community support for co- and extra-curricular activities in South Bend Schools, focusing on those activities which are not tax funded. We also reward scholarship and community service; and, through the annual Community Hall of Fame Dinner, we recognize individuals who have distinguished themselves in their personal and professional lives.

- We believe in the value of a strong public education system.
- We support the opportunity for all children to succeed in school.
- We know that positive extra-curricular activities can be a formative part of their education, keeping them connected to school and making it more likely they will succeed.
