PURPOSE AND DEDICATION

The school year 1966-1967 marks the second year of existence for LaSalle High School. This handbook is dedicated to the administrators of LaSalle's short past, including Mr. Nelson, our principal, and his faculty, to coach Klaylor and his 1966 football team, and to the cheerleaders, student body and fans who have supported LaSalle and its lions through every win and loss.

If it weren't for these fine people, LaSalle High School would not possess the tradition it now has, one that continues to grow with time.

The purpose of this handbook is to inform and interest the football fans of the community, adults as well as students in the 1966 LaSalle High School football team. Through this booklet we hope to increase the enjoyment and spirit of the football season.

MR. NELSON - OUR PRINCIPAL

MR. NELSON - OUR PRINCIPAL

At the beginning of the 1965 school year, which was LaSalle's first, Mr. Nelson was found quoting, "Keep in mind that you are starting tradition, good or bad - Know your goals and strive for them."

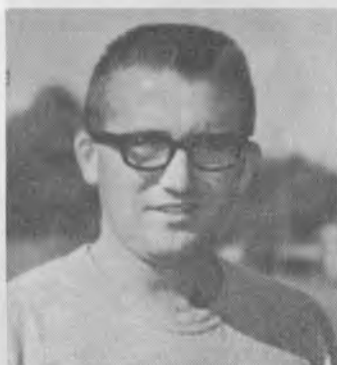

Mr. Nelson has been working in High Schools for over twenty years. Mr. Nelson is a graduate of Central High School, South Bend; he received his B.S. degree from Ball State University, Muncie, Indiana, and his M.S. degree from Indiana University. He taught at Washington High School for seven years as a chemistry and physics teacher. He also coached the freshman football there. He served in the United States Army as a Combat Intelligence Officer in the 34th bomber group for three years. Mr. Nelson then went to John Adams High School to teach mathematics. He taught for ten years and in 1956 he became assistant principal at Adams. He was an assistant track coach and a freshman football coach at Adams too.

HEAD COACH - JERRY KLAYLOR

Starting his second year as head coach of LaSalle's football team is Mr. Jerry Klaylor. Mr. Klaylor was born here in town and he went to Washington High School. Upon completion of High School, Mr. Klaylor attended Hanover College where he received his B.S. degree. He participated in football and baseball while attending Hanover. He received his Masters Degree from Indiana University. Mr. Klaylor then taught at Washington for ten years and coached football. In early 1965 Mr. Klaylor was named head football coach and became a member of our science department. Mr. Klaylor says the 1966 team will have an unpredictable year.

OUR CHEERLEADERS

The Varsity Cheerleaders, led this year by coach Mrs. Patricia Hunter (a former cheerleader herself), and captain Lynn Hudson instill pep and spirit to the sports' seasons. With their many cheers and shouts, they help our "Lions" to "Fight On". They should be well commended for their excellent service to our school.

STUDENT ANTICIPATIONS

"With a fine mature team and a well-rounded coaching staff, we should fare very well"

Howdy Bunch

"Whether we win or lose, the student body should back our team which is doing well for its second season"

Jo Ann Sovinski

"With healthy minds and healthy bodies, as our team has, we should and will reach our goals this year"

Karan Banach

"Our team this year is really good"

Shelly Campbell

"I hope the coaches continue to "smell" victory"
