

Nancy, Adele and Cynthia collapse from the effort of carrying unconscious Margaret, after Harold hit her with a shoe. The 3 female leads in the fall production of *Boy Wanted* are played by Missy Gard,

Nita Hollis and Eileen Lake, respectively. To find out who belongs to the mysterious foot under the couch, see the final performance this evening, starting at 7:30, in the auditorium.

## B.C.S. FOCUSES ON 'GOLAS' TRIBE IN PRESENTATION

LaSalle's Black Cultural Society will present "Thank You For Being Somebody" on Tuesday, November 21 in the school auditorium.

This year's presentation will consist of skits, music, dance, and poetry. The purpose of the skits is to show how certain blacks in history became famous. A section of the skits will center around a tribe in West Liberia called the "Golas." These "Golas" were Black and strong.

Moses Bruce, LaSalle's foreign exchange student from Liberia, has helped the group tremendously with his knowledge of the tribe. "The Ulimates," a group of five LaSalle students, and "The Impacts," will provide Blues, Soul, and Spirituals.

"The purpose of the program is to bring out the black people

who are not in the history books," explained senior Linda Smith who is the program chairman.

Under the direction of Mr. Ron Johnson, Mr. Tony Byrd, and Sam Lockhart, BCS president, the 30 members involved have gotten together several times these past few weeks to plan the program. Junior Mike Purnell and sophomore Kim Anderson are Linda's co-chairmen.

A preview of the program will be held for LaSalle students and faculty, Thursday, November 16. Linda feels the program is set up in a way that it will be enjoyable to all.

The November 21st program will last somewhere between 1½ to 2 hours and admission will be 25¢. All proceeds will go to the Black Cultural Society treasury.

## Open House Plans Made

On Tuesday, November 14, patrons of LaSalle are invited to attend Open House, from 7-9:15 P.M.

On that evening, parents will be given an opportunity to observe the teachers as well as get a general idea on how the different subject departments are run. Open House, however, is not the time for parents to conduct individual conferences with teachers.

Following the same format as last year, the parents will meet at seven o'clock in the auditorium, where each subject department will present a brief program. After these brief presentations, parents may choose three areas in which they are most interested, and attend these individual department sessions for a closer study. Following the third and final session, refreshments made by Miss Nancy Kobylarek's Home Economics classes, will be served in the cafeteria.

For further details, contact assistant principal, Mrs. Roselyn Cole, who is in charge of all the arrangements. She will also answer any questions that may arise concerning the Open House format.

## STUDENT TEACHERS GRACE LASALLE'S HALLS

This is the season for student teachers, and several of them can be spotted roaming LaSalle's halls.

Those who remember Leslie Fiedler, a cheerleader at LaSalle two years ago, may recognize this year's student teacher in the business department, Miss Bonita Fiedler, as her sister.

Miss Fiedler, who is currently attending Ball State University, began taking over Miss Mucha's and Mr. Vargo's classes near the beginning of this school year, in time to give out grades for the first grading period. She regards this event as one of her most interesting experiences thus far in her teaching career, and muses, "It was a long day!"

She cites one of her major problems, as most student teachers will probably agree, as "getting to relax" in front of the class, and says that college books alone don't fully prepare the beginning teacher. "You have to experience it," she smiles.

The most rewarding teaching experience is "giving back good grades," says Miss Fiedler. "I'm really teaching them something when my students are doing well."

A Central graduate, Miss Fiedler says that the only major differences in the student body from when

she attended high school is the way they dress. Describing the students as "a great bunch" she hopes to continue teaching at LaSalle after she receives her degree.

Also a student teacher from Ball State is Mr. Robert Olah, a 1969 graduate of Clay High School. He is a student teacher for Mr. Shilts.

From Indiana University at South Bend comes Miss Nancy Somers, who is teaching under the supervision of Mrs. Guhl. Mr. Keith Ehrhard, a student teacher for Mr. Cox, is currently attending Indiana State.

The student teachers from Saint Mary's, most of which have been teaching at LaSalle for only a few weeks, are Miss Susan Powers, under the supervision of Mrs. Dooley; Miss Mary Beth Caplice, under Mr. Nugent; Miss Friona Woods, for Mrs. Johnston; Miss Mary Kay Davy, for Miss Korb; Miss Marti Burns, under the supervision of Miss Hatt; and student teaching for Mr. Moyer is Miss Jeannie Naumann.

Also from St. Mary's is Miss Nancy Faiola, under the supervision of Spanish teacher, Dr. Agüero.

## Henri Turner Captures DAR Award

A trip to the principal's office proved to be a lucky thing for Henri Turner, a few weeks ago. It was there that Mr. Hafner awarded her the Schyler-Colfax DAR (Daughters of the American Revolution) award pin.

The DAR award is presented each year to a girl in every high school based upon citizenship, patriotism, dependability, and service.

Henri, a senior this year, said she was "shocked" to receive the award, and she also admitted that she "cried a little" when she discovered that she was the recipient. She was first informed of the honor by Miss Geraldine Hatt, Social Studies Department Chairman.

Along with the award, comes the opportunity to win a national or state scholarship bond. In order to be eligible for these top awards, all DAR recipients must take a test over their knowledge of American history and government.

If Henri wins either of these award bonds, she plans to use it toward her college education. Hoping to be accepted into either Yale or Radcliff, she will major in medicine with plans of becoming

HENRIETTA TURNER

a brain surgeon.

Another DAR award will be given at commencement to the student who excelled in U.S. History.

The *Explorer* staff sends get-well wishes to Senior Class President, Denis Eck, recuperating from an auto accident.

## YEARBOOK DUES

The second \$3 payment for the 1973 yearbook is due today.

Over 900 students are now subscribing to the *Explorer/Lantern* publications, making this the most successful subscription drive in LaSalle's history.

The last of the \$3 payments will be collected the first full week of December (December 4-8).

# PANTHERS SLIP BY LIONS

The LaSalle football season ended bitterly as the Lions were beaten 26-14 by Washington, on a muddy School Field turf.

LaSalle opened up by taking the opening kick-off and driving the ball 60 yards with Dan Grundy scoring from the 3 yard line. Todd Ehniger kicked the point after, and LaSalle led 7-0.

Washington then began to drive, but was stalled by Steve Bowen, who knocked down a fourth and 11 pass.

On Jim Steinhofer's punt the ball bounced off a Washington back and was recovered by LaSalle on the Washington 29.

Grundy scored for his last time at LaSalle, going in from the one. Ehniger added the P.T.A. and the Lions were off 14-0.

Then Washington fought back with the help of a LaSalle penalty, to tap an 89 yard touchdown drive with a 14 yard pass. But LaSalle held a half-time lead of 14-7.

In the third quarter, Washington faced another fourth down and 11 situation but this time the Panthers got it for the score to tie the game at 14-14, with 1:13 remaining in the third quarter.

The Panthers took the lead quickly taking advantage of a lost LaSalle fumble on the Lion's 38 yard line. The Panthers scored as the fourth period began, taking on the lead for the remainder of the game.

After putting LaSalle in the hole, Washington added a final blow after a Washington interception on the LaSalle 11. Washington scored to dump Lion hopes as only 2:36 remained in the season. The final score was 26-14.

## FOOTBALL RECAP

## Gridders Fall Short Of .500 Season

As a season ends people forget certain plays or scores but the memories left by the games linger on.

People remember the seniors, their leadership, achievements and performances. But the seniors pass and so did LaSalle's football season, as the Lions missed .500, posting a record of 4-5.

LaSalle has some impressive performances from seniors Dan Grundy, Bob Pinkert, Brad Santa, Greg Jurgonski, Larry Menyhart, and Jim Steinhofer, who were the back-bone of the team.

The Lions raked up the four victories by defeating Kokomo, Culver Military, Penn, and Clay, while suffering defeats by Richmond, St. Joe, Marian, Jackson, and Washington.

In victory and defeat the Lions have compiled some impressive figures. In the rushing department, Grundy's gained the most yards, running over opponents, scoring 62 points and rushing for 512 yards. Running mate Steve Rodick made a 5.8 yards per carry average. LaSalle liked to run, gaining 1699 yards while gaining only 307 yards by passing.

Senior Jim Steinhofer put his foot into action by punting 1572 yards in 39 punts for an impressive 40.3 yard average.

A weak point in LaSalle's 1972 offense was the loss of 419 yards by penalties.

The LaSalle defensive unit was led by Senior Brad Santa, who made a total of 114 tackles, a 11.5 average for tackles per game. Sixty-five of these 114 tackles were solos.

The Lions defense took over the ball by recovering opponents fumbles 12 times and breaching 11 opponents' passes.

The seniors of this year, though few, have carried the team to their 4 loss, 5 win record. Next years' team will depend on the 18 returning lettermen, most of which will be seniors.

## Tankers Expect Big Splash

The outlook for the 72-73 LaSalle swimming season compared to last year is better according to Coach Ron Eberhart. The leaders of this years team will be three returning lettermen, Jim Walker, Bruce Waggoner,

and Tom Staszewski, with help from Kim Purucker, Chris Haber, Ernie Leyba, and Jerry Bunch.

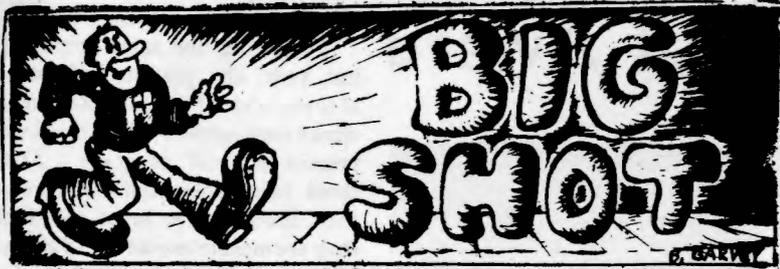

Coach Eberhart believes that the team is strong over all. Weaker events are backstroke, diving and fre-style sprint.

The 10-12 sophomores coming out pleased the coach who commented, "interest and work the guys are putting in at practice is a good indication that were on the right road."

But Coach Eberhart expressed disappointment in three lettermen who didn't come out this year, whose absense could have some affect on the season outcome. Though disappointed, Coach Eberhart believes the season will be an improved one.

## BASKETBALL PREVIEW

Mr. Don Creed, president of the Adult Booster Club, announced that Thursday, November 16, the 72-73 LaSalle basketball team will play an intersquad game "for the LaSalle High School kids." The donation of 50¢ for students and \$1.00 for adults will go into the Adult Booster Club treasury, which is used to aid the LaSalle athletic program. The game time will be announced later. Tickets go on sale in the bookstore next week.

Tuesday, November 14—Ball State University, Muncie  
Tuesday, November 14—Valparaiso University  
Monday, November 20—Armed Forces Test at LaSalle

Revisions in the foreign language/foreign culture requirements have been made at Indiana University.

One of the changes now gives credit for all foreign language courses at the first year level. Rather than an admission requirement to the College of Arts and Sciences, two semesters of a single language study at first year level at IU will be necessary for graduation. There will still be the requirement of an additional two courses (eight hours) in language on the sophomore level or three foreign culture courses. The college must still give achievement tests for placement purposes.

Students with three years or more of a single foreign language with a "C" average or better will automatically be exempt from the first year level courses. This is an exemption without credit.

Placement into the second (or third) semester level of a language, as a result of the foreign language achievement test, will earn credit equivalent to one (or two) semesters of study. So a sufficiently high score on the test can mean five to ten semester hours of credit.

Students for whom the A.B. is not the final degree should keep in mind that language proficiency is required by most graduate schools in the United States. Those who elect the foreign culture option may find their opportunities for admission restricted if they do not complete the usual foreign language sequence.
